FUNDS AVAILABILITY POLICY

This policy disclosure describes your ability to withdraw funds at Signature Federal Credit Union. It only applies to the availability of funds in "transaction" accounts. Transaction accounts include Savings, Checking, Money Market, Legacy Checking, and/or Legacy Money Market.

- 1. General Policy:** Our policy is to make funds from your cash and check deposits available to you on the same business day as the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

For determining the availability of your deposits, every day is a business day except Saturdays, Sundays, and federal holidays. If you make a deposit before 2:00 PM on a business day we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 2:00 PM or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

- 2. Longer Delays May Apply:** In some cases we will not make all of the funds you deposit by check available to you on the day of your deposit. Depending on the type of check you deposit, funds may not be available until the second business day after the day of your deposit. The first \$225 of your deposits, however, may be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- a. We believe a check you deposit will not be paid.
- b. You deposit checks totaling more than \$5,525 on any one day.
- c. You redeposit a check that has been returned unpaid.
- d. The Credit Union redeposits a check that has been returned unpaid.
- e. You have repeatedly overdrawn the account in the last six months.
- f. There is an emergency, such as a failure in communications.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

- 3. Web ACH Transactions:** You may originate web ACH debit (inbound) and web ACH credit (outbound) transfers to/from your Signature FCU share account to/from an account at another financial institution in the SFCU Mobile Banking App or Online Branch. There is a daily limit of 3 inbound and 3 outbound transfers per day. Inbound transfers have a daily limit of \$5,000 per business day. Outbound transfers have a daily limit of \$1,000 per business day. We have the right to delay funds from web ACH debit (inbound) transfers for up to 3 business days. Funds from web ACH credit (outbound) transfers will be made available on the day following the effective date of the request.
- 4. Special Rules for New Accounts:** If you are a new member, the following rules will apply to your account during the first thirty (30) days it is open: funds from electronic direct deposits, cash, wire transfers, and federal government checks that are deposited to your account will be available on the day we receive the deposit. Funds from other checks will be available on the fifth business day. Check deposits other than federal government checks, money orders, traveler checks, and cashier's checks that are in excess of \$5,525 will have longer holds. The excess over \$5,525 will be available on the ninth business day after the day of your deposit.
- 5. Non-Sufficient Funds (NSF):** Signature Federal Credit Union is not obligated to pay any item presented for payment if your account does not contain sufficient funds. Signature Federal Credit Union charges a Returned Check (NSF fee) when the available balance is insufficient to cover outstanding requests. The available balance is comprised of the ledger balance less any holds on deposited funds and any debit card holds. Please note that debit card pre-authorization holds could impact the available balance causing a Returned Check Fee (NSF fee). An insufficient balance can result from several events, such as (1) the payment of checks, electronic funds transfers or other withdrawal requests; (2) payments authorized by you; (3) the return of unpaid items deposited by you; (4) credit union service charges; or (5) the deposit of items which, according to the credit union's Funds Availability, are treated as not yet available or finally paid. There is no limit to the amount of Returned Check Fees (NSF Fee) that can be imposed on a given day. Signature Federal Credit Union may charge more than one Returned Check Fees (NSF Fee) if the same item is presented on subsequent days (if funds are not available).

Debit Card ("Card") has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your Card, you can lose no more than \$50 if someone used your Card without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your Card, and we can prove we could have stopped someone from using your Card without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by your card, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

- If the automated teller machine where you are making the transfer does not have enough cash,
- If the system was not working properly and you knew about the breakdown when you started the transfer,
- If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken,
- There may be other exceptions in our agreement with you.

9. ATM Fees: Fees may be charged by the ATM operator or any network used, and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer.

10. Error Resolution: In case of errors about your electronic transfers, telephone us at (800) 336.0284 or write to us at PO Box 148, Alexandria, VA 22313-0148, or email us at cumail@Signaturefcu.org as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. Tell us the dollar amount of the suspected error.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If

we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we have used in our investigation.
