F. Agreement

I/We hereby apply for an estate account at Signature FCU. I/We by Will or applicable State law have the power to open this account.

SFCU is authorized to recognize the signatures below for the payment of funds or the transaction of any business for this account. I/We as Administrator of this estate account agree that all funds on deposit now or in the future are owned by the decedent's estate and will be subject to the withdrawal or receipt of the Administrator, and payment to the Administrator/Co-Administrator will be valid and discharge SFCU from any liability for such payment.

In addition, any endorsement or signature by any Administrator/Co-Administrator will be considered a valid signature for transacting business in this account. The right or authority of the Credit Union under this agreement cannot be changed or terminated by me/us, except by written notice to SFCU which has been acknowledged in writing by SFCU, which shall not affect previously made transactions.

I hereby certify that I/we have been duly qualified and/or appointed by a court to settle the above decedent estate, including but not limited to the payment of taxes, debts, and distribution of assets and/or property belonging to the estate. By my/our signatures, I/we acknowledge that SFCU has no responsibility for the administration of this estate account or the settlement of the above decedent's estate at any time. I/We understand that upon settlement of the decedent's estate, it is my/our responsibility to request closure of the estate account.

By checking "SFCU Online Branch Access" in Section E of this application, I/We understand that I/we are applying for SFCU Online Branch services. I/We understand that this service will provide me/us access to all existing and future accounts held in the name of this estate. I/We hereby accept responsibility for safeguarding the password(s) in order to prevent unauthorized access or transactions on the account. I/We agree that SFCU may revoke SFCU Online Branch access if unauthorized access or transactions occur as the apparent result of negligence in safeguarding the password(s).

Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account, including co-administrators. What this means for you: When you open an account, we will ask you for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. Property may be transferred to the appropriate state if there has been no activity within the time period specified by state law.
