Online Branch Disclosure

This page explains important information regarding Signature Federal Credit Union's Online Branch. Each of your accounts at Signature Federal Credit Union is also governed by the applicable account disclosure/agreement and Electronic Funds Transfer and Funds Availability (aka New Membership Account Disclosure) disclosure you received when you opened your account.

1. Online Branch Service: Through the Online Branch service, you may conduct the following:

a. Transfers: You may transfer funds among your Signature Federal Credit Union share savings, checking, money market, or loan accounts. Transfers among the accounts may not immediately charge or credit your account, but transfers will be effective no later than the business day immediately after the date of such transaction.

b. Account Balance Inquiries: You may view your share savings, checking, share certificate, money market, and loan account balances.

c. Transaction History: You may view transaction history for any consumer loan, credit card, or deposit account.

d. Cleared Check Searches: You may search for checks that have cleared your account.

e. Additional Services: From time to time, Signature Federal Credit Union may announce additional services which are only available through Online Branch. Your use of these services constitutes acceptance of the terms and conditions presented at the time they are announced.

f. Access Limitations: Signature Federal Credit Union reserves the right to limit or revoke Online Branch access. If you do not log on at least every six months, on-line access will be deactivated.

2. Operating Systems: Our Online Branch site is designed to operate using World Wide Web technologies and protocols that are adaptable to a wide range of systems. The Online Branch section uses SSL encryption, and it requires a browser with a current Symantec Certificate. Online Branch uses "cookies". If you don't allow us to set a cookie when entering Online Branch, you will not be able to log in. The cookie we set contains information we need for security, and it allows us to time out your authority to view information. We place the cookie with instructions that it can only be sent to a server in our Online Branch domain. A cookie cannot be used to extract data from your personal computer. We do not store your access code, user ID, or password in your cookie. The cookie we set will time out your access authority to Online Branch. Until it times out, you can come back to our Online Branch without logging in. After the time out period, you will need to log in again. Most browsers will let you use a "back" button to view previously visited documents, even if you're viewing authority has expired. For this reason, the only way to keep others from viewing your account balance(s) is to exit the browser when you are finished with your session. Our Online Branch system is a private system operated for the exclusive use of our members. We use SSL data between our Online Branch server and your personal computers. All Online Branch logins are logged by the server. For authenticated members who use Online Branch, we collect and store certain information such as how often you visit Online Branch, dates, and times of visits, and which pages are being used. We use this information for internal review and product evaluation only. We never sell, transfer, or trade this information unless we are compelled to do so by law. We may gather and store additional information available to us on failed login attempts and other activity we consider a threat to our system. In those cases, we will share this information with other companies, agencies, and law enforcement authorities as we see fit.

3. Online Branch Password: You hereby acknowledge that you have read and reviewed the appropriate disclosure pertaining to Online Branch and agree to the terms of said disclosure. You acknowledge that use of Online Branch by other persons will give them access to any of your deposit/loan accounts. Access to your account will be by means of a password. You agree not to make your password available to any other person. If you believe your password has been lost or stolen or that someone has transferred/withdrawn or may transfer/withdraw money from your account without your permission, call (800) 336.0284 between 9:00 am and 5:00 pm EST, Monday through Friday, or write to us at Signature Federal Credit Union, PO Box 148, Alexandria, VA 22313-0148.
