Notice to all Visa Signature Credit Card Holders...

The Credit Union is excited to announce that we are improving the benefits of the Signature Visa Rewards card as well as the Signature Visa Rebate card.

Effective July 1, 2016, you will earn 2 points for every dollar you spend on your Signature Rewards card instead of the current 1.25 you are earning; and you will accrue a 2.0% rebate on your Signature Rebate card instead of the 1.25% you are currently accruing.

If you are a Signature Rewards card holder, you will notice the difference in the points in August when July's points are credited to your account.

If you are a Signature Rebate card holder, any accrued rebate you have on your account will be posted on June 30, 2016. Moving forward, all rebates will now be posted on the last day of the quarter instead of on the anniversary of when you opened your credit card, so you will be able to check your rebate quarterly.

We are very excited to be able to bring this enhanced reward program to you. If you have any questions, please contact us at (800) 336.0284.
